

1. Put the car into gear or park and apply the hand brake.
2. Remove the bolt that goes through the eye end of the original steering damper and through the mounting bracket on the drag link and then lift the damper out of the mounting bracket.
3. Remove the bolt that goes through the eye end of the original steering damper and through the chassis mounting bracket, then drop the damper down out of the mounting bracket.
4. Fit the eye end of the new steering damper (the main body end) into the mounting bracket on the drag link, re-fit the bolt and tighten the nut.
5. Fit the eye end of the new steering damper up into the mounting bracket on the chassis re-fit the bolt and tighten the nut.
6. 4-stage adjustable steering dampers are designed with an adjustable knob at the lower end of the body that allows you to configure your damping depending on your needs and your desired feedback through the steering wheel. No.1 is the softest setting increasing to No. 4 for the firmest setting.

**WARRANTY & DISCLAIMER** - TerrafirMa products are warranted free from defects in materials and workmanship for a period of 12 months from the date of retail invoice. TerrafirMa does not warrant that the products manufactured or marketed by it comply with the laws of the country where those goods are purchased or used. It is the sole responsibility of the purchaser to ascertain whether products being purchased, or the fitting of those products to any other object, comply with local laws. This warranty covers structural defect and workmanship but does not cover finishes, labour charges for removal or refitting, freight costs, accident damage, misuse or abuse, damage due to incorrect or improper fitment or application, modified product, faulty design or consequential damage of any kind. Damage or defects caused by collision, alteration, improper installation, road hazards, adverse conditions or usage for any other purpose other than normal private usage are not covered by this warranty. TerrafirMa shall not be liable for any other claim relating to the use of the product and any indirect special or consequential damage or injury to any person, company or other entity. All claims must be accompanied by the original retail invoice and should be submitted to the supplying Allmakes 4x4/TerrafirMa distributor. This warranty covers only the replacement of the product or part concerned. The decision remains solely at the discretion of Allmakes Ltd. The information contained in this catalogue was correct at the time of going to press. Allmakes/TerrafirMa and its associated companies reserve the right to alter the range and any product specifications without notice. Always consult your Allmakes/TerrafirMa distributor for the latest product information and specifications. The TerrafirMa range of products is constantly being evaluated for enhancement and improvement to make sure the level of quality and performance is as expected.
