

**YWJ101500: TOW KIT ELECTRIC****DEFENDER 90 / 110 / 130 – UP TO 2006 (PRE-TDCI)****FITTING INSTRUCTIONS****Kit List**

- 1 x Towing harness assembly including
- 1 x tow socket
- 3 x Socket bolts
- 3 x Socket nuts

**Procedure**

1. Disconnect the earth cable from the battery.
2. Remove the nuts and bolts from the tow socket use them to mount the socket to its bracket.
3. On the RH underside of the vehicle locate the grey 9-way towing connector.
4. Plug the 9-way connector on the towing harness into the corresponding 9-way towing connector on the vehicle.
5. Note - The two single-way black connectors taped back to the harness provide the following functionality - The grey wire is a rear fog feed that is broken when the trailer or caravan is plugged in. If required this can be wired to the vehicles rear fog lamp so that it is extinguished when towing. This prevents reflected glare from off a caravan. The green & brown wire is a reverse lamp feed. This would normally be connected to pin 1 of a 12S socket if fitted.
6. Feed the 7 wires through the socket gasket.
7. Connect the towing harness wires to the socket as shown in the table below.

**Colour Function Terminal**

- Yellow LH Indicator 1 (L)
  - Blue Rear Fog Lamp 2 (54g)
  - White Earth 3 (31)
  - Green RH Indicator 4 (R)
  - Brown RH Side Light 5 (58R)
  - Red Stop Lamps (6 (54)
  - Black LH Side Light 7 (58L)
8. Reconnect the vehicle battery and test for correct operation of the vehicle and trailer lights

WARRANTY & DISCLAIMER - Terrafirma products are warranted free from defects in materials and workmanship for a period of 12 months from the date of retail invoice. Terrafirma does not warrant that the products manufactured or marketed by it comply with the laws of the country where those goods are purchased or used. It is the sole responsibility of the purchaser to ascertain whether products being purchased, or the fitting of those products to any other object, comply with local laws. This warranty covers structural defect and workmanship but does not cover finishes, labour charges for removal or refitting, freight costs, accident damage, misuse or abuse, damage due to incorrect or improper fitment or application, modified product, faulty design or consequential damage of any kind. Damage or defects caused by collision, alteration, improper installation, road hazards, adverse conditions or usage for any other purpose other than normal private usage are not covered by this warranty. Terrafirma shall not be liable for any other claim relating to the use of the product and any indirect special or consequential damage or injury to any person, company or other entity. All claims must be accompanied by the original retail invoice and should be submitted to the supplying Allmakes 4x4/Terrafirma distributor. This warranty covers only the replacement of the product or part concerned. The decision remains solely at the discretion of Allmakes Ltd. The information contained in this catalogue was correct at the time of going to press. Allmakes/Terrafirma and its associated companies reserve the right to alter the range and any product specifications without notice. Always consult your Allmakes/Terrafirma distributor for the latest product information and specifications. The Terrafirma range of products is constantly being evaluated for enhancement and improvement to make sure the level of quality and performance is as expected.
